Richmond, VA 23219

RE: Project Name: Dominion Energy Transmission Inc. on behalf of Atlantic Coast Pipeline
Project ID: NORTH-2018-004
County: Northampton, City: Various, Address: Linear - Multiple Roads
Submitted By: ERM
Date Received by LOS: February 23, 2018
Plan Type: Revised

Dear Sir or Madam:

The erosion and sedimentation control plan submitted for the subject project has been reviewed and is disapproved for the reasons listed on the attached sheet.

You may submit a revised erosion and sedimentation control plan for approval addressing those items outlined on the enclosed form. Under the authority of NCGS 113A-54.1(a), this office has 15 days from the date of receipt to approve or disapprove your revised plan. However, if you wish to contest the disapproval of this plan, you must request an administrative hearing within 60 days of your receipt of this Letter of Disapproval. This request must be in the form of a written petition, conforming to Chapter 150B of the North Carolina General Statutes, and filed with the Office of Administrative Hearings, 6714 Mail Service Center, Raleigh, North Carolina 27699-6714.

Letter of Disapproval
Atlantic Coast Pipeline, LLC
March 8, 2018
Page [PAGE] of [NUMPAGES]

A copy of the petition must be served on this Department as follows:

Office of General Counsel
Department of Environmental Quality
1601 Mail Service Center
Raleigh, North Carolina 27699-1601

Pending approval of a revised plan or a decision on an appeal, commencement of any land-disturbing activity associated with this project shall constitute a violation of the Sedimentation Pollution Control Act of 1973 (NCGS 113A-51 through 66).

Please feel free to contact this office at your convenience if you have any questions or if we can provide any assistance in resolving this matter.

Sincerely,

William H. Denton, IV, PE
Regional Engineer
DEMLR

REASONS FOR DISAPPROVAL

Project Name: Dominion Energy Transmission Inc. on behalf of Atlantic Coast Pipeline LLC
Project ID: NORTH-2018-004
County: Northampton

1. Submit a completed Financial Responsibility/Ownership (FRO) form for the revision affecting the pipe realignment. If the question is not applicable or information is unavailable, place N/A in the blank. This form is to have the original signature and is required to be notarized. Provide email addresses, telephone/fax numbers as requested in Parts A and B of the form. (GS 113A-54.1(a))
2. Provide a written narrative describing in detail the revisions made on each plan sheet where relevant. Indicate revisions on plan sheets using standard graphical methods such as the cloud method (drawing a “cloud” preferably in red type around areas of change). (GS 113A-57.3, 15A NCAC 04B .0105, 15A NCAC 04B. 0106)
3. Provide one full-size and one half-size copy of the revisions for review. Upon approval of revisions made to the plan, provide two copies of the plan set (one full-size and one half-size), showing the modifications required for approval. Provide one copy of additional items (such as design calculations). Provide a cover letter referencing the project name, project ID number, and purpose of submittal. (G.S. 113A-57.4)
